- 3: Please note rule on change of age groups:  
 If a dancer is changing age groups during the year – that is moving out of the age group originally registered under:-  
 a: Once a dancer changes age groups and moves into the next age group (eg 11/U age group and turns 12 – she/he will have to dance 12/15) the change of age group form together with an advice is to be submitted together with the fees applicable for age changes.  
 b: Alternatively this fee can be included in your initial deposit and at the time of the change you only have to submit your advice form (Change of Age Group)  
(CHANGE OF AGE GROUP FORM TO BE SUBMITTED AT THE TIME OF INITIAL REGISTRATION)
- 4: Once a dancer is promoted out of amateur status – this dancer must decide on whether he/she is going to dance in the World Trials for points or just the normal champ competitions with no points. If he/she is going to do the World Trial Circuit then an “UPGRADE” form together with the WTC registration fees must be submitted. Failing to do this he/she will ONLY be eligible to dance in the competitions that cater for Amateur & Champ sections.
